(UNDISPUTED) PARTY TIME ON BACKSTAGE **WITH CHIPPA AND MZAMBIYA!** **TX: Friday July 1 at 6.30pm**

It's what fans have been clamouring for... the official launch of kwaito singers Chippa and Mzambiya's second album, "*Undisputed Round 2 Reloaded*".

And you're getting it all in this exclusive episode that features the CD's big-blast title track, "*Kuyoze Kuyovalwa*", and spotlights celeb guests (Ishmael, Stoan, Bravo, Hidden Force, Hip Hop Pantsula (HHP) and Andy Magazz) having a fine time with Chippa and the Backstage gang.

This collaborative, six-months-in-the-studio, all-original 14-track effort, produced by Techno P and Guffy, will be released and marketed by Bulldawgs Productions and distributed by Cool Spot.

Chippa and Mzambiya's debut album, "*Undisputed*", has sold more than 75 000 copies to date (that's platinum!). It was nominated for the Sama awards, the Metro awards, and the Dukuduku awards.

"We gel with each other's style," says Chippa. "We have the same vibes, but we don't play them the same way." He adds that "*Undisputed Round 2*" - a continuation of the first release - is a funk dance album. "We want people to have fun...but we still have tracks where we talk about where we come from and where we're going. We want to motivate our listeners. This album is for everyone."

Chippa (Loyiso Mangena) is an established character on Backstage, and judging by the huge amount of fan mail he regularly receives, he's a firm favourite with Backstage viewers. As a musician he is going from strength to strength... he worked with musos, Chicco, Cream and Ashaan prior to his e screen stardom.

Mzambiya (Nkosinathi Zwane) is a platinum selling kwaito singer from the infamous, yet musically famous, Zola in Soweto. Mzambiya soared to stardom when he released his debut album, "*From Zola To Hollywood*".

"*Undisputed Round 2 Reloaded*" is available nationwide from the first week of July. And to show they can walk the walk - keep an eye on your local Press for the duo's upcoming tour of SA - they'll be hooking up with your area soon.
