20something: Christmas in Cape Town!
TX: Wednesday December 10

This week on 20something we spend Christmas in Cape Town, one of South Africa's best Christmas holiday destinations for locals and international tourists. We chat to celebs and tourists visiting the mother city to discover their thoughts on Cape Town.

Also this week on 20something:

- 20 Something visits the Neighbourhoods Market which has been crowned the luxurious bazaar for all organic, sustainable food and other fresh produce.
- We preview a selection of Christmas DVDs that will entertain you while you are home for the holidays.
- If you don't know what to do or where to go on New Year's Eve just check out the 20 Something Gig Guide. It gives an insight into what is happening around the country on the 31 December.

The three "*golden rules*" for the festive season are "*go out, have fun and don't forget to party*". Without a doubt, the festive season without 20something is not exciting!
