*On 20something this week, December 4...*

If there's one thing you don't want to be, it's to be stuck with a hair-do that is sooo 2004! So, we chat to a hair stylists who let's us in on the latest trends for the 2005/2006 summer.

Looking for that perfect gift for Christmas? With things getting more technical by the minute, we give you a gadget guide of note for some lekker Christmas ideas...

We also check out where 20somethings hang this summer in our Hang review.

The movie preview of the week is "Lord Of War". One man demonstrates how to get rich selling warring nations the tools of their deadly trade in this dark comedy drama. Yuri Orlov (Nicolas Cage) is an opportunistic businessman who stumbled into a gold mine after the end of the Cold War and the collapse of the Soviet Union. Orlov's exploits in the arms business quickly make him a very rich man, but they also leads to some unwanted attention from an Interpol agent who is convinced Orlov isn't playing by the rules...

We end off the show with the hottest act at the moment - Kanye West, with 'Diamonds From Sierra Leone'.

*On 20something next week, December 11...*

Still continuing on the summer vibe... we check out affordable holidays for this festive season. If you will be doing your vacationing cross country in your auto-mobile then be sure to check out this week's shown as we chat to a car expert who lets us in on how we can save on petrol.

Wanna make it big in the entertainment industry? Then be sure not to miss out chat with a music video director who enlightens us on what a director's job is all about. We check out where the rest of them hangout in our Hang review.

The movie preview this week is the remake of the classic "King Kong". Set in the 1930s, this is the story of a group of explorers and documentary filmmakers who travel to the mysterious Skull Island (near Sumatra) to investigate legends of a giant gorilla named Kong. Once there, they discover that King Kong is a real creature, living in a massive jungle where creatures from prehistoric times have been protected and hidden for millions of years.

Local rules this week as we play out with Zombo featuring Lira with 'Won't Let You Go'.
