

20something: Living it up at the Palazzo Hotel!

TX: Sunday January 25

We are living it up this week on 20something, coming to you from the glamorous 5 star Palazzo Hotel, in Montecasino. The artistic Victorian architecture serves as a backdrop for Kyle and guest presenter Shashi Naidoo as they let go of inhibitions and set the mood right for Valentines day. Kyle gets some hands on experience on melting and cooking chocolate from Chef Ohilo Alock.

Also this week on 20something:

- Voted sexiest South African woman alive in 2004, Minki talks to us about her colourful career in modelling and shares her 2009 resolutions.
- 20something takes a peak at ten hot new must own books all about romance to adventure.
- The next movie in the 20something's review box is Rock n Rock by Guy Richie.
- The world would definitely be less interesting without theatre. *Yellowman* is the latest play causing a stir in theatre world. A contemporary tragedy, this play tackles issues concerning internalised racism. Sashi chats to the award winning actor Mwenya Kabwe about the success of the play.
- We play out with *3 minutes to explain* by *Freddie Le Grande*.

Catch this excitement on 20something every Sunday after the eleven o'clock movie.
