

Press Release

20something heats up your Sundays

Location, location, location! That's the buzz every Sunday afternoon and there's one place you need to be, and that is in front of your TV with your dial locked on e.tv as we bring you the best youth magazine show **20something**, with your hosts Namhla Ndlovu and Shashi Naidoo.

TX: 6 August 2006 at 1.30pm

Sista's are doing it for themselves. Yep, with National Women's Day coming up on 9 August, 20something is celebrating the plight of women in Mzansi and what better way to do this than to have Namhla and Shashi spend the whole episode chatting with two dynamic women – Kedibone Diale and Catherine Constantinides.

Kedibone, is currently the Convener of the Executive Mayor of the City of Tshwane's Interim Youth Advisory Council as a Youth Practitioner and not a Politician. The 27-year old hails from Rustenburg. In 2006, she was the only young female ward candidate councillor for the 2006 Local Government Elections in the country.

Catherine – a former Miss Earth South Africa and now is the organizer of the event – is the Editor of SA Fusion, a lifestyle magazine for the South African entertainment industry. She runs several social and community upliftment projects and does fundraising events for the charities she works for. She currently runs her own Events Management, PR Management with her sister.

Women's Day commemorates 9 August 1956 when women participating in a national march petitioned against pass laws. We chat to our guests to find out what this special day means to each of them and what it means to women in general today.

The show plays out with "One Love" from Mary J Blige and U2.

TX: 13 August 2006 at 1.20pm

We chat to Jan Malan and Emily Jane about the seemingly glamorous world of modelling. If you're into strutting your stuff, then check out the show to find out what does it take to be a model, the different types of modelling (photographic, catwalk, commercials) what are the agents looking for etc. Our studio guests are Jan is one of the producers of the Nokia Cape Town Fashion Week and of the Nokia Face of Africa model search, and modelling sensation Emily is an experienced Fashion Week Model who has been in the industry for eight years.

Shashi Naidoo reviews Richard Branson's biography "Losing my Virginity". This book is the unusual, frequently outrageous autobiography of one of the great business geniuses of our time. Branson has written his own "rules" for success, creating a group of companies with a global presence. Losing My Virginity is the ultimate tale of personal and business survival from a man who combines the business prowess of Bill Gates and the promotional instincts of P.T. Barnum.

We review the movie "Confetti". This Mockumentary charts the journey of three couples as they battle it out to win a magazine competition of 'Most Original Wedding of the Year'. The talented cast includes Martin Freeman, Jessica Stevenson, Stephen Mangan, Felicity Montagu, Alison Steadman and Jimmy Carr. Well, may the best wedding win!

We play out with "Touch It" from Busta Rhymes featuring Hip-Hop royalty Missy, Mary J, and Rah Digga.
