e Press Release: 3rd Degree – Serial Killers

TX: Tuesday 22 February 2011 at 9.30PM

Over the past few months reports of serial killers and serial rapists were splashed across the news. Late last year the notorious Sugar Cane Killers Thozamile Taki was convicted and sentenced for the death of at least 13 women, and the so-called Sunday Serial Rapist is still out on the streets.

This week we talk to serial killer expert Micki Pistorius about the minds of psychopaths, and we discuss the issue of South Africa's forensic labs and ask: are they helping or hindering the fight against crime?
