e Press Release: 3rd Degree - Muthi Murders

TX: Tuesday 19 April 2011 at 9.30PM

Muthi murders are on the increase, striking fear in many communities. There's a belief that human body parts, cut from a living person, will help an individual get rich.

All too often, rogue traditional healers are behind this barbaric practice.

Secrecy and fear keeps the practice alive. Victims can be men, women, young and old.

3rd Degree exposes the brutality of this frightening phenomenon.
