e Press Release: 3rd Degree – Celebrating 10 years of Investigative Excellence

TX: Tuesday 11 May at 9.30PM

In the year 2000 3rd Degree burst onto the scene with a big dream. The dream was to create a hard-hitting current affairs show which would take up the cause of the poorest of the poor, leaving lying officials and dodgy operators nowhere to hide.

A decade on, that dream has been realised. Debora Patta, anchor and executive producer of the show, is not only a household name but has become synonymous with investigative journalism. Over the past ten years, she's put the powerful and the wicked in the hot seat, relentlessly demanding replies to tough questions, refusing to take no for an answer.

3rd Degree is now the most watched current affairs show in South Africa, pulling in at least 1,8 million viewers a night.

This Tuesday the multi-award winning show looks back at ten years of chasing con artists down narrow passageways, catching scam artists and crooks red-handed and holding the powerful to account. Not to be missed.
