The Youth Debate

Cockroaches, rapists, lunatics and baboons - these are some of the words used in a stream of verbal attacks between the political leaders of the various youth leagues. With the country's national elections just months away, the battle for votes is underway and this week 3rd Degree [puts](#) Young Communist League leader Buti Manmela up against Anele Mda, the youth leader of the newly formed COPE.

This is just the first of many such political debates on 3rd Degree, as we head towards what promises to be the most exciting election since 1994.
