e Press Release: 3rd Degree – Mob justice

TX: Tuesday 3 August @ 9.30PM

In many communities plagued by crime, residents resort to their own kind of instant justice. Offenders are dealt with swiftly, and brutally.

In Alexandra township, an angry mob burn a petty thief alive. Ordinary law-abiding citizens turn to murder in order to send out a harsh uncompromising message: you will die if you do crime here.

3rd Degree looks at what is driving mob justice in certain townships and what can be done to stop it.
