

## PRESS RELEASE

**This Week On 3<sup>rd</sup> Degree: Tuesday, 24 May @ 7.30pm**

### **Blurred Vision**

This week, **3rd Degree** busts liquor outlets selling beer to minors. The International Centre for Alcohol Policies (ICAP) reveals that **underage drinking** is seen as one of the **most pressing global challenges**. In South Africa we have tough legislation preventing bars from serving alcohol to underage kids. But it seems that most bars are simply ignoring this and young teens are able to get drunk with impunity.

Using undercover cameras, 3<sup>rd</sup> Degree **exposes bars serving** alcohol to minors. This is made even more frightening with statistics that reveal that half of all murders and road accidents are the result of drunkenness. What can be done to ensure we don't breed a nation of drunks? 3<sup>rd</sup> Degree, Tuesday, 24 May @ 7.30pm, only on e!
