America's Next Top Model 5: The Girl Who Needs A Miracle

TX: Tuesday 14 October at 9pm

A top model is not born beautiful, she is created and no one knows this better than former supermodel, Tyra Banks. So, in order to transform her modelettes she is giving all 12 contestants a dramatic makeover.

The wannabes will be transformed into fierce models with hair extensions, different hair colours or haircuts. But one competitor is not ready for change and bursts into tears at the thought of all her hair being cropped off.

Once the transformations are complete the models are paired off and dressed in the same couture inspired outfits. The models with the better pictures are safe from elimination this week.

Who looks more compelling and captures the focus? Who's got the better pose? Tyra and the judges will decide and one girl will be eliminated.
