

## **PRESS RELEASE**

### **America's Next Top Model 6: The Girl Who Kissed The Roach TX: Monday 27 April at 9pm**

Miss J. Alexander, flamboyant runway coach schools the contestants in the art of strutting down the catwalk. From sashaying down the ramp in long billowing dresses to expertly removing a jacket, the modelettes are taught how to sell the clothes off their body.

Putting their newly acquired skills to the test, the aspiring models are challenged by designer Jared Gold to walk the runway wearing his latest designs. The twist? They will also be wearing a Madagascar hissing cockroach attached on a leash to the clothes.

While one girl has a phobia for the insects and completely loses her composure on the ramp another competitor steps up her game and kisses the cockroach at the end of the runway.

Fairytales come to life in this week's photo shoot as the models are transformed into characters from our favourite childhood stories.
