

PRESS RELEASE

America's Next Top Model 6: The Girl Who Kissed A Male Model TX: Monday 4 May at 9pm

The life of a top model has an expiry date and Tyra Banks knows this first hand. In order to prepare her ten protégés for a life after modelling she has a frank discussion with them about possible careers after retirement. Immediately afterwards, the girls have to act out their occupations in a sexy photo shoot.

Eccentric former supermodel Janice Dickinson teaches the contestants the fine art of commercial and editorial poses. She also stirs up trouble amongst two contestants when she demands to know who the biggest DIVA in the house is. This leads to a major confrontation back at the house.

In another steamy photo shoot one girl, who has a boyfriend, locks lips with a male model.

Who has reached their sell by date in the competition?
