**America's Next Top Model 6: The Girl Who Makes The Rules
TX: Monday 20 April at 9pm**

It's makeover week and as usual some of the contestants are bitterly unhappy about their new hairdos. While the one model complains about her locks being shortened, the other candidate sobs on the telephone about her new Mohawk style haircut.

Director of photo shoots, Jay Manuel assists the modelettes in choosing their own personal style to go with their new look and the challenge winner wins a shopping spree worth five thousand dollars. The models' photo shoot turns frosty as the girls have to pose on an ice sculpture.

Back at the house, one diva lays down the law by drawing up a list of house rules and distributes it to her fellow contestants. Who is heating up the top model house with their antics?
