America's Next Top Model 5: The Girl Who Makes A Disclaimer TX: Tuesday 28 October at 9pm

Who are the girls running from?

Miss J. Alexander, queen of the runway, schools the contestants in the art of the perfect catwalk. Putting their skills to the test for Fashion Designer, Sue Wong, the wannabes don their outfits and pose on a turning platform.

Roommates Sarah and Kim's close relationship becomes intimate when they spend the night together. Left in the dark, the models' photo shoot involves running on a moving platform, in front of a green screen, unaware of what is chasing them.

Pageant queen, Cassandra, digs in her heels and refuses to bow to the wishes of Tyra Banks and creative director, Jay Manuel. Her shocking decision is a first in the history of America's Next Top Model.

Haughty airs, temper tantrums and steamy bedroom scenes fill the top model house on Tuesday at 9pm.
