

PRESS RELEASE

America's Next Top Model 6: The Girl Who Is A Model Not A Masseuse TX: Monday 1 June at 9pm

It's that time of the competition when the contestants fly off to an exotic international location. Which fashion capital of the world will the remaining six aspiring models jet off to?

Before they face the international arena, the models are given a few useful tips on how to deal with the media. This week, the challenge winner and a friend get pampered at a spa while the rest of the competitors have to wait on them hand and foot.

The photo shoot leaves the girls off balance when they are left dangling in a fish net posing as mermaids.

Whose top model hopes are hanging by a thin thread?
