

Press Release

Coca-Cola Football stars

Sunday 2 April @ 6.05pm

This is the second season of this exciting series where South African School's soccer meets reality television. Coca-Cola Football Stars interweaves a highly charged school's football tournament that covers all 9 South African Provinces and a reality television show that airs on e.tv.

Coca-Cola Football Stars is the elevation of school's soccer into an avenue toward a professional soccer career and all that professional soccer entails – Money! Fame! A chance at an international career! It is about finding South Africa's next Lucas Radebe or South Africa's answer to Pele, a soccer player with talent and personality, someone the public will be rooting for all the way, a football star!

Coca-Cola Football Stars' three talent scouts – Steve Komphela; Doctor Khumalo; Mark Fish, travel to the 9 Provinces and attend the school tournaments and find the most talented players to be short-listed for a workshop.

At the workshop +/- 50 boys will be put through their paces and after dramatic eliminations, cut down to the final 15.

The final 15 will have the opportunity to travel overseas and play against international development teams.

After returning from overseas the boys will be snapped up by the local PSL clubs for their junior development teams.

Coca-Cola Football Stars - Real Dreams Made Real.

Don't miss this amazing reality show starting Sunday the 2nd of April at 6.05pm on e.tv
