BACK TO SCHOOL 2007!

It's going to be all Craz-e, back to school in 2007, and so we've got the word on how to chill: watch Cool Catz, Mondays to Thursdays at 2.35pm; an international cartoon at 3pm; our home grown magazine shows, Mondays to Thursdays at 3.30pm - with more cartoon magic at 4pm. And every Friday at 2.30pm, there's the Craz-e movie of the week.

Here's what's phat for **January**:

If it's true that your girlfriends are the sisters you've picked out for yourself, you've got yourself a whole family in the **Sistahood, every Monday at 3.30pm**. Join the trip to Soweto that showcases "Dreams", a restaurant run by the Lefofane sisters and get the tip offs on what's hot and new in summer fashion (don't forget those sales now!).

You also get to hang with the face of Sof 'n Free's Phemelo Ngcobo (fantastic hair hampers to be won), and empower yourself with the knowledge of how to deal with school bullies.

Get frantic with **Frenzy, every Tuesday, at 3.30pm**, but still keep good company with Zero One Eight; Yfm's Adil; Milly;

and new Kwaito sensation, Spuku! And YOU, our loyal viewers, will star in our vox pop, which will feature YOUR opinions on topics like: New Year's resolutions; money or fame; the coolest holiday places - and what if you were the only person left on earth...

Plus, we preview the movies, Charlotte's Web, The Fountain, Flicka, and Apocalypto, and review the CDs: Club Anthems, DJ Cleo, Jesse McCartney, and Slice.

Walk the walk, and so talk the talk with **Shiz Niz, every Wednesday at 3.30pm**, as we crank it up with the coolest emcee's around! As usual, we have DJ Handz On and Blacq as our studio emcees, with guests Lukatz with Top, Poets, Shimane with Idol Hands, and Kwani Experience with 11 prtsblk.

Get video updates on **Reverb Live, every Thursday at 3.30pm**, where we will have various music hamper giveaways from Jesse McCartney to Stacie Orrico! The guests range from Harris Tweed, Lesego, to Natalie Chapman, and J.

See! It's going to be a Craz-e 2007...Craz-e "Uzowuzwa umoya – You'll Feel The Spirit" - only on e. Happy New Year!
