New Season: Curb Your Enthusiasm 6

TX: Monday 5 January at 8pm

Free-to-air television station, etv is turning Monday nights into a cult comedy hour with the sixth season of Curb Your Enthusiasm. Back-to-back half an hour episodes will be shown from 8pm to 8.30pm and then from 8.30pm to 9pm.

This mockumentary follows the life of Larry David, the co-creator, writer and executive producer of Seinfeld. Larry is now a semi-retired multi millionaire with loads of time on his hands to make mischief. Hand held cameras follow the antics of this neurotic individual at home, at work and on the street.

Cheryl David (Cheryl Hines) plays his loving and patient wife who has to contend with his bizarre behaviour. His manager, Jeff Greene (Jeff Garlin) is his side kick who helps him out of tricky predicaments. Jeff's wife, Susie Greene (Susie Essman) is fed up with their old age antics and wants nothing to do with them.

Larry's best friend, Richard Lewis (as himself) is a stand-up comedian and a recovering alcoholic. In season five he begged Larry to donate one of his kidneys's to save his life. Other high profile actors with reoccurring guest roles include Ted Danson, Jason Alexander, David Swimmer and Ben Stiller.

This comedy series has received critical acclaim, been nominated for 28 Emmy Awards and won a Golden Globe for Best Television Comedy in 2003. Curb Your Enthusiasm is shot without a script as the actors are given a brief outline but ultimately they improvise their own lines.
