

Press Release

Don't miss the Fear Factor South Africa Finale on Easter Monday, 17 April

Last night, those gorgeous babes Letshego and Nyoka were eliminated from Fear Factor South Africa. Now there are only three contestants left (Moabi, Russell and Sarah) and they will be put through their paces in Monday's final episode.

Will Russell or Sarah of Cape Town walk away with the prize? Or will Moabi carry Jozi's hopes to the end and become South Africa's first Fear Factor winner? Whoever takes the crown will sign their names in the books of TV history and the fact that they walk away with a quarter of a million rands prize money couldn't hurt one bit. Today we separate the men from the boys and it's gonna be one heck of a ride! It's D-day, and the hour of reckoning is here. Fear Factor Extreme has eliminated seventeen of an original twenty contestants. The three that start this episode deserve to be called heroes! They've had to beam walk at seven storeys high, they've eaten live cockroaches, they've had to walk on high rise window ledges and they've been subjected to containers full of maggots. These guys know the meaning of the word Extreme.

The R250 000 prize money is sponsored by Insurance Services Standard Bank.
