More fearless Fear Factor contestants bite the dust!

Last night four more contestants crashed out of the running to be the ultimate winner of Fear Factor South Africa. Bjorn Steinbach, Shelley Spires, and Vusi Madondo starred defeat in the face on the first edible stunt of the day and they couldn't progress to the physical stunt where contestants had to drive bicycles through panes of glass... Sadly Brigette Chisenga joined the eliminations making the foursome the second batch to leave the show.

Next week (Monday 6 Feb at 8pm): the contestants attempt to jump from one speeding boat to another speeding boat in an attempt to stay in the game and they also have to 'drink or drown' in Amasi as they come face to face with the dreadful eating stunt. Watch e.tv every Monday at 8pm to see fear taking its toll on the remaining 13 contestants. The R250 000 cash prize is sponsored by Insurance Services from Standard Bank.
