This week on Fix My Biz, viewers get a chance to know Jako Breytenbach, the owner of Megan's Meringue's in Fix My Biz, Wednesday 22 September at 5.30PM.

Jako Breytenbach and his team at Megan's Meringues, live by one important promise: that they manufacture and sell the best Meringues in the world. But Jako, who previously owned a Garden Centre, needs practical advice and assistance to improve the business.

Join host, Andile Masuku and the Fix My Biz "bizz-wizzes" this week as they tackle Jako's problems head-on and give him much needed advice in the areas of merchandising, packaging, minimising breakages and financial ratios.

Don't miss the revamp of Megan's Meringues this week on Fix My Biz, Wednesday, 22 September at 5.30PM only on e.tv.
