Lillian's Regret, Forgive & Forget

Years of pain, being inconsiderate and ungrateful is what these parents on tonight's episode of Forgive & Forget had to endure. A group of siblings have come together seeking help from Forgive & Forget to reconcile their relationship with their parents.

Doris, meets Lillian and her siblings who regret not honouring their parents and respecting them for who they are. Will Lillian's parents accept their joint apology and will this family ever get back to being normal?

Forgive & Forget, every Tuesday at 8.30pm.
