Forgive & Forget: A cousin's betrayal

TX: Tuesday 26 October at 9PM.

The limits of a cousin's love are tested by infidelity and the most intimate of betrayals by the two people closest to him on Forgive & Forget on e.tv on Tuesday 26 October at 9PM.

We're used to watching tales of infidelity on our daily soaps and dramas. Never thinking it could happen in our own lives and definitely not expecting that a beloved family member would play a role in leading our partner astray.

Meet Victor Shibavu from Gauteng. The tight bond Victor had with his cousin David was destroyed when Victor had an affair with David's girlfriend. David suffers a double blow as he is betrayed by both his trusted girlfriend and relative.

Our host Doris Msibi joins Victor as he tries to make amends and seek David's forgiveness, believing that their family ties are strong enough to overcome the betrayal.

To find out if their relationship can survive and David's capacity for forgiveness watch Forgive & Forget on Tuesday 26 October at 9PM.
