### **Forgive&Forget : Irresponsible Father**

**TX: Tuesday 10 February at 9pm**

Fatherhood is not for the faint hearted and a year ago, Colin decided he wasn't brave enough to take on this life-altering challenge.

Cruelly neglecting his girlfriend and infant child, Colin was caught in a downward spiral of drinking. To add to his woes, he lost his job and spent long hours with his wayward friends.

In this episode of our heart-warming reality show, Forgive&Forget, Colin is apologetic for the pain he caused his family. He is determined to be a loving partner to his girlfriend and a good father to their child.

Join host Doris Msibi as she helps Colin on the road to redemption this Tuesday at 9pm.
