Fresh Living TV – Unfinished business TX: Monday 27 September at 5.30PM

Host Ayanda Tini and the makeover team put a positive spin on the life of Lisa, a mom who has many hopes and dreams for her home on this week's episode of Fresh Living TV on Monday 27 September at 5.30PM only on e.tv.

Lisa is a new mommy with some baby blues and she just hasn't had time to finish many domestic projects that she's attempted to do because of the new addition to the family.

Ayanda Tini and the lifestyle makeover team give Lisa advice and puts her life back in order so that she can provide a more comfortable home for her family.

Says Peter Gird, executive producer of Fresh Living TV: "It's a privilege to be able to help people in need. Post-natal depression affects many women in South Africa and it requires compassion and understanding. Our team made us proud with Lisa's story."

Don't miss Lisa's home go from good to great only on Fresh Living TV on Monday 27 September 2010 at 5.30PM on e.tv.
