How I Met Your Mother Returns to e.tv For A Fourth Season

TX: Sunday 28 March at 7:30PM

End off your weekend in a fit of giggles with Ted and the rest of the gang when the tummy-achingly funny sitcom How I Met Your Mother returns for a fourth season on Sunday 28 March at 7:30PM..

Bachelor Ted (Josh Radnor) proposes to girlfriend Stella (guest star Sarah Chalke). Could she be the elusive mother of the title, or is Ted destined to search for The One again?

Roving Lothario, Barney (Neil Patrick Harris), comes to a shocking realisation that may just put an end to his stud ways while Robin (Cobie Smulders) embarks on a journey of self discovery.

Pretending to be grownups isn't easy for Lily and Marshall (Alyson Hannigan and Jason Segal) with ticking biological clocks and lopsided apartments to deal with.

Laugh until you cry with How I Met Your Mother, only on e.
