

## **Press Release**

### **Julia Roberts Festival** **Thursdays at 8pm** **1 June until 29 June**

Every Thursday night in June (at 8pm), e.tv brings you a special Julia Roberts movie as part of its exclusive Julia Roberts Chick Flick Festival. Bells will ring when it kicks off with *My Best Friend's Wedding* on 1 June and ends (not in tears) with *Erin Brockovich* on 29 June. Other movies include *Runaway Bride*, *Stepmom* and *America's Sweethearts*. Roberts hasn't appeared in a film since 2004's *Ocean's 12* and spends most of her time with her one-year-old twins Phinneas and Hazel. She's married to cameraman Danny Moder, but has been linked to some of Hollywood's hottest actors in the past.

For a more detailed synopses of each movie, please contact me and I can email you a separate attachment.
