New Season: Fear Factor International 4

TX: Monday 30 August at 8PM

Live on the edge with the fourth season of e.tv's daredevil reality show, Fear Factor International, premiering on Monday 30 August at 8PM.

Host Joe Rogan invites three ordinary men and women to partake in three physically and mentally gruelling stunts in a bid to pocket \$50 000. Based on time, the first stunt aims to test the contestants' physical endurance and agility. The man and woman with the slowest time is eliminated from the competition.

The second feat will test the limits of the participant's mental strength through an eating, animal or retrieval stunt. Even the strongest contender will feel his or her insides quiver in revulsion at the thought of consuming a number of unimaginable insects.

The final act is an extreme stunt from an action movie that involves heights, water or a car. The male or female that completes it in the fastest time walks away with the cash prize and the prestigious title of Fear Factor winner.

There are 33 episodes in this season.
