e Press Release: Playa

TX: Wednesday 24 February at 9.30PM

South Africa's premium soccer-lifestyle show is taking the game from the field, to the club, to right into your living room.

In this week's episode:

- Playa heads up to Mpumalanga to meet Black Aces rising star Sandile Zuke.
- With its breathtaking design and a capacity of seventy thousand, the Moses Mabhida Stadium is a truly world class sports ground. Playa takes a tour and finds out more about Durban's brand new stadium. But it takes more than a fancy stadium to become a World Cup host city. So, Playa takes a look at the infrastructure upgrades and tourism initiatives taking off in Durban.
- And finally, Playa's resident football expert, Carlo Scott, puts more of the latest soccer gear to the test.

Game on!
