e.tv searches for hot Latin dancers for new reality show

Superdance South Africa

The search is on for smouldering couples with fancy footwork to compete in e.tv's new reality dance show, Superdance South Africa.

Moving to the rhythmic beat of Latin music, the pairs will contend for the chance of a lifetime to share the floor with the top 5 Latin dance couples at the World Dance Event in Cape Town in September.

To the amateurs and professionals who live, breathe and eat dancing, e.tv is offering audition opportunities in Cape Town, Johannesburg and Durban on August 6, 13 and 20 before a panel of internationally and locally recognized judges.

These past dance champions are looking for couples who ignite the dance floor with their sensual Samba, Ramba, Pasa Doble, Cha-Cha and Jive routines and make jaws drop with their impressive costumes. Following the preliminary auditions in the major cities, the Top 14 selected duos will compete in Johannesburg for the elimination rounds.

Then, the most passionate, seductive and skilled pair will be announced as the winners at a glittering finale in Johannesburg, whirling away with a coveted performance at the World Dance Event and a cash prize of R 20 000.

Interested dancing duos are invited to shake their sexy hips in the following cities:

Johannesburg: Thursday 6 August at the DanceJunxion, Shop 402, Top Floor, Mall of Rosebank

Durban: Thursday 13 August (Venue to be announced)

Cape Town: Thursday 20 August ((Venue to be announced))

Call time for all auditions is 8AM but dancers are encouraged to get there early to claim their place in the spotlight.

Dancers can let their fingers do the twirling when they visit e.tv's website, www.etv.co.za, for more details.
