That Sport Show

And Up For Debate this Monday December 12 @ 9.30pm...

This week is all about the big Soweto derby between Chiefs and Pirates. We look at the weird side of sport. The best of the English Premiership and the next best thing in local talent. These are Monday's hot topics to be discussed live on e.tv's most contentious sports show.

Every week, the already forthright and in-your-face host of "That Sport Show", **Udo Carelse**, coaxes new insights and fresh controversies from his studio guests as he commands the studio with his off beat commentary and quirky humour.

This week: It's Soweto derby day. It's the home game for Pirates and we look at every angle of the day. From the result, to the fans' reactions to the festivities happening at the game.

Sport is supposed to be about grace under pressure, a flair for the inventive and brilliance that mere mortals strive to emulate. But not always. So for all you armchair sportsmen out there we have the best and funniest sports bloopers of the year, to make you feel a little more secure in your own sporting talent.

We also get in touch with some young aspiring talent in SA today. Who will be the next Ernie Els? Who will be lacing up boots with the springboks in a couple of years? Stay tuned and find out who we see as the likely candidates.

And finally we round off with a look at the best goals from the weekend's games in the English Premiership

Never offside, never taking a dive and always ready for a brawl, **That Sport Show. Every Monday @ 9.30pm**, only on e.
