### **The Rough Cut** **Sunday 4 June at 6.30pm**

On Sunday 4 June at 6.30pm in *The Rough Cut*, we go behind the lens and into the lives of our eNews cameramen. They welcome us into their world, and relive the fires, the floods and the riots they have faced to bring us the news each and every day.

Do they ever put their cameras down to get involved? Do the sad stories leave them when they stop recording? Or do they see the world in black and white? Join us this week and discover what goes through the minds of the cameramen as they record history unfold before their eyes daily. Real stories. Real people behind them on *The Rough Cut*, Sunday 4 June at 6.30pm. Only on e.
