

## **Press Release**

**The Rough Cut: Sunday 7 May at 6.30pm**

**Behind the scenes with Nicky Greenwall and  
The Showbiz Report**

This week: On air it looks so simple. But behind the scenes our journalists pull out all the stops to bring you fresh news. In this season's first episode of *The Rough Cut* we take you behind the scenes of The Showbiz Report. It may look glamorous but writer/ producer Nicky Greenwall and her team let us in on what it takes to produce South Africa's only dedicated entertainment news show, each and every week. Real stories. Real people behind them.

The Rough Cut, a current affairs programme on e.tv, returns for a second season on Sunday 7 May at 6.30pm. It replaces Judge for Yourself, which will return for a new season later this year. Every week an eNews reporter will produce a mini-documentary on the behind the scenes adventures, reportage, footage and emotions involved in one of their high-profile stories.

Anne-Marie Hanna and Deon Kloppers produce the show, and they promise to let viewers in on the intrigue that happen on the side of the camera viewers don't normally get to see.
