

## Press Release

### **The Showbiz Report : Saturday 26 November at 7. 30pm**

Every Saturday, The Showbiz Report, is presented from an unusual and exotic location. In addition, the urbane hostess, Nicky Greenwall, offers you more than just another entertainment programme. It is also a news programme bringing viewers all the freshest information on what's hot and happening in the world of art, music, fashion, and insights into the lives of local and international celebrities.

This week on The Showbiz Report

- • Is America's obsession with oil dictating their government's foreign policy? That's the subject of a new movie starring George Clooney and Matt Damon.
- • Evita Bezuidenhout celebrates her 70<sup>th</sup> birthday with some of her favourite friends.
- • David Kramer and Taliep Peterson's new musical hits the stage in Cape Town.
- • Johannesburg's most stylish are crowned.
- • And Robbie Williams fever hits South America.

All that and a whole lot more on this week's edition of The Showbiz Report. Saturday at 7:30pm. Only on e.
