

Press Release

Showbiz Report **Saturday 24 June at 7.30pm**

The Showbiz Report currently has nearly one million viewers. Every Saturday its stylish and urbane hostess, Nicky Greenwall, offers you more than just another entertainment programme. It is also a news programme bringing viewers all the freshest information on what is new and happening in the world of music and fashion, as well as insights into the lives of local and international celebrities. This week:

- Richard E Grant talks about his directorial debut.
- Singer and actor Chris Chameleon lives up to his name by releasing two very different albums in the same week.
- Adam Sandler discovers a remote control that changes his life.
- And is Scarlett Johansson turning into Woody Allen?
