

## PRESS RELEASE

**Wednesday nights are 20something nights!**  
**TX: Wednesday 9 April at 8pm**

Diarise this: Wednesday nights are now 20something nights! This week the show celebrates Mzansi style and still at the helm of all that is entertaining are Namhla Ndlovu and Kyle White as your hosts on this fun youth magazine, now on a new timeslot at 8pm, free on e.

This week the show comes to you from Parys – the Free State Town surprisingly making a huge impression on the world of design, fashion and art!

Namhla and Kyle catch up with designer-extraordinaire Abigail Betz, who's muse is her gorgeous house on the Vaal river in Parys. If you've ever wanted to know how a line of clothing makes its journey from the designers pencil to the catwalk, then you need to be glued to your screen.

Need to know what will all the fashionistas be wearing this winter? It's all here on this week's show as 20something brings you the most stylish looks, the coolest gear and, as always, the very latest trends – all straight from the Sanlam SA Fashion Week ramps!

Ever wondered where the humble pair of scissors comes from? Probably not. These everyday objects are so much part of our lives that we don't give them a second thought. In our gadget slot we cut through history and give scissors a whole new edge.

Have a hot date this weekend? Then be sure to take a peek at the movie preview of the week – a romantic comedy starring Michelle Pfeiffer and Paul Rudd. It's all about Mother Nature (played by Tracy Ullman) interfering in the love-life of a 40-something woman and a 20-something guy.

And the show plays out with South African outfit Jaiva and their tune of the moment "Feezy".
