e Press Release: Your Date With Destiny

TX: Saturday 8 August at 1PM

Be open to Love and it will surely find you as Chris, the charismatic candidate, discovers in this week's episode of Your Date with Destiny.

Belinda is challenged to match him with a woman of equal standing, and who most notably, needs to be a spiritual searcher like he is. Has Destiny delivered Chris's perfect woman as one of his lovely suitors?

Fortunes of a few lucky audience members are told by the oddest of divination tools – a gemstone and a strand of hair!

Simu and Jenny, last week's confident and powerful match, report back and are glad that their first impressions of each other were proved wrong.

Follow your heart with Belinda Silbert on Your Date With Destiny, this Saturday at 1PM.
