Love Among the Ruins: Cheaters: Thursday 9 June at 10. 30pm

e.tv brings you Cheaters - a shocking reality TV series that confronts unfaithfulness in an effort to expose relationship problems and help empower the injured party.

Hosted by Tommy Grand, this show will leave you astounded at the dishonesty of the human race. Cheaters is so popular in the US, that the producers can't keep up with the over 40 000 requests for finding unfaithful lovers. It seems that this controversial show will never be short of subjects.

This week on Cheaters:

Bill Ladd comes to Cheaters needing assistance in discovering the truth about his long-time girlfriend, Julie. Bill and Julie were co-workers for the same Country & Western Bar until Julie found a new job. Bill began noticing a change in Julie's behaviour soon after. Cheaters' detectives follow Julie to Bill's home that he shares with his friend of thirty years, Harry.

Cheaters' detectives don't become suspicious until Julie appears at Bill's home again without him being there. Surveillance cameras inside the home reveal the truth. Julie is secretly involved in an intimate relationship with Bill's roommate and friend. Once Bill is shown the evidence, he decides to confront Julie. The confrontation takes place in Bill and Harry's back yard hot tub.

Julie and Harry are shocked and immediately retreat inside the house. Bill enters and tries to speak to Julie through a closed door. Julie doesn't want to talk, and Harry yells for everyone to leave the house. Before Bill and Cheaters crew leave the premises, Julie comes to the front door and asks to speak to Bill, but Harry interrupts and closes the door.

Shame.

There there's Shay Conwell and Ryan Creek, who met through mutual friends. They dated for approximately six months when Ryan began making excuses and staying out late. Shay felt as if something wasn't right and called Cheaters to investigate. After the seventh day of investigation, Cheaters detectives followed Ryan to a restaurant where he later exited with another male.

The two got into Ryan's vehicle and began kissing. Cheaters' detectives had enough evidence to prove Ryan's guilt. After viewing the surveillance footage, Shay was ready to confront Ryan. The confrontation takes place outside a sports bar. Shay wants Ryan to be honest and explain. Ryan has no excuses and says, "it's only been six months." Ryan was not the least bit remorseful about his secret affair and his secret life. He offered no apologies and drove away with the other male. Shay, saying she just wanted to go home, left the scene with Cheaters crew.
