CHEATERS: Thursday 28 July at 10.25pm

e.tv brings you Cheaters - a controversial reality TV series that confronts unfaithfulness in an effort to expose relationship problems and help empower the injured party.

This week:

Marie Sullivan's boyfriend, Erich Dalrymple, seems to be spending more time at work and with his friends. Marie feels something is wrong with their relationship and asks Cheaters for help. Cheaters detectives begin surveillance and immediately discover the truth about Erich's whereabouts. Cheaters surveillance footage shows Erich with another woman on more than one occasion. Cheaters detectives reveal the other woman is Kristen Fleming. After viewing the surveillance footage Marie wants to confront Erich. The confrontation takes place inside a bar. Erich speaks with Marie briefly before driving away with Kristen. He admits to loving both women. Marie leaves the scene with the Cheaters crew.

Stacia Colvin's fiancé seems to be spending time with another woman. Stacia observes a change in Leon's behaviour and asks Cheaters for help. Cheaters detectives follow Leon and collect enough evidence to find him guilty. The surveillance footage reveals the identity of the other woman as Stacia's best friend. Stacia wants to confront Leon and her best friend. The confrontation takes place outside a music store. Stacia and Leon leave the scene together while her best friend drives away alone.
