CHEATERS: Tuesday 30 August at 9pm

e.tv brings you Cheaters - a controversial reality TV series that confronts unfaithfulness in an effort to expose relationship problems and help empower the injured party. Love it or hate it, you can't miss it, because the truth is: there's a tad of trailer-park-trash in the best of us.

This week: Kristopher suspects Stephanie of cheating. Stephanie's recent behaviour brings Kristopher to Cheaters for help. Cheaters detectives begin the investigation and discover Stephanie spending time with another man. The other man is identified as Eric Bee. Once Kristopher sees the surveillance footage, he wants to confront Stephanie. The confrontation takes place in a motel room. Kristopher discovers Stephanie in bed with Eric. Kristopher and Stephanie discuss the events, but Kristopher does not want to continue the relationship.

Nicole Brown believes her girlfriend may be seeing someone else. Tiny's behaviour begins to change toward Nicole, so Nicole calls Cheaters for assistance. Cheaters investigators soon discover the truth. Tiny spends most of her time away from Nicole with another woman. The confrontation takes place outside a bar. The three women have physical confrontation on the sidewalk.
