GET BACK TO THE GROOVE: SUNDAY, JULY 10 @ 1.30PM

20something is all it takes to get you back in the groove and give you all the latest entertainment news in music and in movies, with your hosts Namhla Ndlovu and Khethiwe Kunene on the drivers seat every Sunday @ 1.30pm - free on e.

Shakespeare once said: "If music be the food of love, play on." Classical music seems to be making some inroads in **20something** culture and so we chat to Kutlwano Masote an up-and-coming cellist who is on the fun seat to talk about his achievements in the world of classical music.

Fashion is in the spotlight at the moment, so we went to check out the recent fashion@sparks exhibition, which is an initiative to help young, struggling designers break into the fashion world.

The movie preview of the week is "Fantastic Four", starring Jessica Alba, Chris Evans, Michael Chiklis and Ioan Gruffudd. Directed by Tim Story, Fantastic Four is the latest comic book to be turned into a Hollywood feature film and tells the story of how four people are changed by cosmic rays when an experimental space voyage goes awry. Together, they use their unique powers to explore the strange aspects of the world, and to foil the evil plans of Doctor Doom.

The music video of the week is the massive house-tune 'Back to Basics' from the Shapeshifters.
