GET HEATED-UP BY 20SOMETHING **Sunday 24 July @ 1.05pm**

20something - the hot and happening magazine show is back again this week to give you a dose of blazing and out of this world entertainment this side of the galaxy. Join Namhla Ndlovu and Khethiwe Kunene as they heat-up your Sundays this winter - free on e.

Feeling a little chilly? We have the cure (well for all the fellas at least)! Leeann Liebenberg - arguably the hottest woman in Mzansi - is on the fun seat to chat about and give us an insight into the world of modelling.

We go behind the scenes to take a peek at the making of "Drum" and chat to the cast and crew members about their involvement in the project.

The movie preview of the week is "The Hitchhikers Guide to the Galaxy" starring Martin Freeman, Mos Def and Stephen Fry. Everyone has bad mornings. You wake up late, you stub your toe, you burn the toast... But for Arthur Dent, this goes far beyond just a bad day! Arthur learns that a friend of his is actually an alien and in all the mayhem he is transported off the Earth seconds before it is blow up to make way for a new hyperspace motorway. As if that's not enough... throw in being wanted by the police, Earth II - an insane electronic encyclopaedia and chronically depressed robot - and the search for the meaning of life, and you've got the greatest adventure off Earth!

We wrap up all the fun with Jamiroqui's 'Feels just like it should' music video.
