Judge For Yourself with Judge Dennis Davis: Sunday 17 July at 6.05pm

Judge Dennis Davis is back on the box in this second season of Judge For Yourself - an urbane current affairs series produced by e.tv's Anne-Marie Hanna (a graduate of the New York Film Academy) and Melanie Rice (senior e News anchor and journalist).

In this episode they discuss the independence of the judiciary. Not long ago South African courts served as instruments of the apartheid regime. Today, many people raise the same question. Are our courts independent of government? Join Judge Dennis Davis for this up to date debate.
