Let's Fix It: Tuesday 14 June at 8.30pm

Let's Fix It is a half-hour, weekly reality series in which popular presenter Soli Philander is challenged to fix people's problems. Since its inception, the Let's Fix It team has assisted in helping many people alleviate the stress of poverty and hardship - with computers, wheelchairs, food, house-repairs, medical assistance and much more.

This week: Doreen Hendricks lives with her unemployed welder husband and their children, and as funds dwindle, they are often unable to buy food. Spirits are low in their small, low-income unit when Soli arrives to talk to Doreen. The crowds gather in excitement as Soli meets with the overwrought woman inside. There is no time for fun and games - they need help and they need it quickly.

The Let's Fix It team also pays a visit to the Samora Machel township to assist a young boy, Lunga Balman, with his dreams of becoming a soccer star.
