Let's Fix It: Tuesday 23 August at 8.30pm

Let's Fix It is e.tv's highly popular weekly reality series in which well-known presenter Soli Philander is challenged to fix people's problems. Since its inception, the Let's Fix It team has assisted in helping many people alleviate the stress of poverty and hardship - with computers, wheelchairs, food, house-repairs, medical assistance and much more.

In this episode: Soli is requested to assist with a music system for the dance students of Zonnebloem Primary School, which is situated in the old District Six. So far they've had to use a tiny portable transistor. They also asked if it is possible to get a full mirror, ballet barres (bars) and takkies for dance classes. In addition, Let's Fix It sees where they can assist with a family of 18 in Gugulethu.
