### **Let's Fix It: Tuesday 9 August at 8.30pm**

Let's Fix It is e.tv's half-hour, weekly reality series in which popular presenter Soli Philander is challenged to fix people's problems. Since its inception, the Let's Fix It team has assisted in helping many people alleviate the stress of poverty and hardship - with computers, wheelchairs, food, house-repairs, medical assistance and much more.

In this episode the team visits a destitute family who had their house repossessed and who sold most of their stuff to pay for two funerals. Then there is the neighbour who is helping a 5-year-old boy next door and who is asking for assistance with basics such as food, clothes and nursery school fees. Finally, a baby girl and her single mom also need help. As usual, Soli Philander and the team lend a hand.
