

## Press Release

### This Week On 3<sup>rd</sup> Degree Tuesday 13 September @ 8pm

#### Arise

3<sup>rd</sup> Degree has done it again - Charlene Stanley is a regional winner in the Vodacom Journalist Of The Year Award. She will go through to the final awards stage for her documentary on the strange saga of Paul Meintjes - the man from Hertzogville who died, but could not be laid to rest.

This week we rebroadcast her award-winning story - a story that is funny and sad, profound and preposterous - all at the same time: Meintjes, a self-proclaimed prophet, predicted that he would rise from the dead. It left a family clinging to hope, and a town in turmoil.

The Vodacom Awards judges said of the documentary: "For the investigative flair, balance in reportage, mood creation and excellent visuals complementing the professional narration about a most unusual and dramatic story that unfolded in Hertzogville about a year ago - the supposed resurrection of Paul Meintjes - **the winner is Charlene Stanley of e.tv in Bloemfontein.**"

**3rd Degree on Tuesday 13 September @ 8pm only on e!**
