Driving School

The Automobile Association estimates that one in every 2 drivers on the road has illegally obtained their licenses. This week **3rd Degree** goes undercover to expose the world of illegal driving schools.

Unscrupulous instructors in cahoots with corrupt traffic officials who “guarantee” a license, at a price. Our hidden cameras expose one school in particular, which issues illegal licences through a network of corrupt officials throughout Gauteng.

If you are willing to pay you can buy learner licenses without studying or even writing a test. You can also purchase car and truck licenses without proper driving skills.

3rd degree on Tuesday 11 October @ 8pm
